

## Join our team as Project Manager

Anton Homes is seeking a motivated and detail-oriented Project Manager to join our team.

We build high-end custom homes for clients who expect exceptional craftsmanship, clear communication, and meticulous attention to detail. We're looking for someone who thrives in a professional, client-focused environment and enjoys bringing complex custom projects to life.

### What You'll Do:

- Day-to-day management of custom home construction projects
- Coordinate subcontractors, vendors, and internal teams
- Manage your own time effectively and stay organized across multiple tasks and deadlines

### What We're Looking For:

- Strong people and communication skills; able to build trust with clients and trades
- Experience in residential construction or custom home building (preferred but not required if you have strong aptitude)

### Why Work With Us:

- Join a company known for craftsmanship, integrity, and client service
- Be part of creating luxury homes that stand out for their quality and beauty
- Opportunity for growth and long-term career development

If you're motivated, detail-driven, and ready to help bring custom homes to life, we'd love to hear from you.
